Concord, N.H. 03301-8432

Phone 603-228-8671 Fax 603-225-7978 E-Mail info@nhiaa.org

This manual is published by the New Hampshire Interscholastic Athletic Association 251 Clinton Street Concord, NH 03301 – Neither the whole nor part of this publication may be copied or reproduced and/or translated without first obtaining written permission from the publisher.

POINTS OF EMPHASIS

➤ **2023-2024 Corresponding Dates**

First practice	First date to play	Last date to schedule/play	Min. # of games/events	Max. # of games/events
11-13	12-1	1-31	4	16

State Tournament:

Monday, January 29, 2024 – State meet entry opens

Friday, February 2, 2024 – State meet entry closes at 12:00 p.m. (noon)

Friday, February 9, 2024 – Diving Championship, University of New Hampshire (Time TBD)

Saturday, February 10, 2024 – Division I Championship, University of New Hampshire (Time TBD)

Saturday, February 10, 2024 – Division II Championship, University of New Hampshire (Time TBD)

- If kickplates on starting blocks are used, athletes are responsible for setting up and securing them prior to the start of the race.

NFHS Swimming and Diving Rules Updates

- **3-3 Note:** Moves the note to the beginning of Section 3 and adds language prohibiting accommodations altering compression, buoyancy, or competitive advantage. **Rationale:** The section will make it clear this provision applies to all articles in Section 3.
- **3-3-2:** Removes language which specifies that a competitor shall only be able to compete in a suit that is of decent appearance. **Rationale:** Eliminates the subjectivity of “decent appearance” for an official when making an illegal suit determination.
- **8-1-3d PENALTY 2, 8-1-6 PENALTY:** Added the requirement of a written record for dual confirmation of a false start. **Rationale:** The change aligns language with the current requirement that when dual confirmation is used, the relay takeoff judges are required to report in writing any violations to the referee.
- **8-2-1g:** Removes the language about some part of the body at or above the surface during a backstroke finish. **Rationale:** The change aligns with national trends, allows the official to concentrate on the backstroke finish (wall touch), and may prevent lunging at the wall which reduces risk.
- **8-2-2d-h:** Requires the arms and legs to move simultaneously but does not require the arms and legs to be in the same horizontal plane. Also requires separation of the hands during the touch at turns and finish. **Rationale:** Changes provide clarity, consistency, and alignment with national trends and do not provide a competitive advantage.
- **8-2-3c, e, g:** Requires the separation of hands and a simultaneous touch with the hands during the turns and finish. **Rationale:** Changes provide clarity, consistency, and alignment with national trends and do not provide a competitive advantage.
- **9-5 Diving Table:** Removes dives 104A, 304A and 402A from the Diving Table. **Rationale:** When each dive is performed slightly short of vertical, the diver’s head may be precariously close to the diving board. The risk of hitting the board in these cases is far greater than other dives on the table.

- **9-7-4c:** Adds a penalty for when a diver's head is too close to the diving board. The diving referee shall make the determination and inform diving judges to score the dive as unsatisfactory. **Rationale:** Minimizes the risk factor of the diver performing the dive in a way that brings the diver's head too close to the board.

Additional Points of Emphasis

Individuals/Teams:

➤ **Section 3:**

If you have individual athletes swimming with another school (piggybacking), it is the duty of the Athletic Director of the "home school of the athlete" to ensure that all information necessary for managing the individual's team entries and results for both the regular season and state meet are submitted. In addition the Athletic Director will need to request a waiver of By-Law Article I: Policy; Sect. 8 A from the NHIAA if the athletes will be practicing with another school.

➤ **Section 4:**

A team who has less than four (4) swimmers of the same gender may combine with swimmers of the same gender from another school for a relay. This relay and all swimmers will be disqualified and no times may be entered into Swimcloud from this swim. It may not be classified as an exhibition race. The race will count as an entry in a swimmers total number of events. These relays may not be allowed by the meet manager due to facility or time constraints.

- Divers listing and competing less than six dives on a dive sheet in a dual meet will be considered as disqualified, not exhibition. However, any dives successfully competed will still count as achieved for purposes of qualification at the state meet. Signed dive sheets will still serve as verification of achieved dives for the state meet competition.

By-Law Article II: Eligibility; Sect. 7: Non-School Competition

A. A member of a school team is a student athlete who is regularly present for, and actively participates in, team tryouts, practices and competitions. Bona fide members, as of the first date to practice in that sport as listed in By-Law Article XXXVIII of the NHIAA Handbook, of a school team are prevented from missing a high school practice or competition to compete with an out-of-school team, practice or competition to include tournaments, showcases, combines or other athletic events.

Whenever a conflict arises between the high school team practice/competition and an out-of-school practice/competition on the same day, the high school team practice/competition must be honored by the student athlete. Priority must be given at all times to the high school team, its practices, and its contests unless a waiver has been granted by the principal and athletic director. It is expressly understood that waivers shall not be granted on a regular basis and shall only be granted in extraordinary circumstances. (1.2015 CM)

- It is the responsibility of the athletic director to see that the following are completed
 - All schools are required to use Hy-tek Team Manager or Swimcloud. Athletes should not be hand-entered into meets.
 - All schools must update their roster(s) on the Swimcloud website seven (7) days prior to the first day to play (November 24, 2023). If you are using Team Manager, your roster must be exported from Swimcloud and uploaded into Team Manager.
 - Schools hosting meets are responsible for uploading the meet results (including dive results if applicable) to the Swimcloud website within 72 hours of the completion of the meet.
 - Visiting schools are responsible for checking their results on Swimcloud following every meet, and reporting any errors to the host school.
 - All schools are responsible for entering the State Meet on Swimcloud prior to the posted deadline.

- Inquiries regarding Swimcloud should be directed to Chrystena Ewen at cewen@londonderry.org. In addition all schools should receive a copy of the “How to packet for Coaches” which includes directions for using Team Manager and Swimcloud. Email Chrystena Ewen to request this packet or it can be accessed under the Athletic Directors’ Administrative Log-In section.
- State Meet Information will be placed on the NHIAA website in mid January.
- Dive Entries shall be declared on CleanEntries.com as well as on the Swimcloud website no later than 12:00 p.m. on Friday, February 2, 2024 www.cleanentries.com your clean entry sheet should be printed off and faxed/scanned and emailed in to Nate Chaput (nchaput@nhiaa.org) at the NHIAA office. **Coaches should bring copies of regular season confirmation of completed dives to the state meet.**
- **Athletic Directors are responsible for making sure that all schools that attend your meets are registered with the NHIAA. Please use the list of schools in this manual. If the school is not listed, call the NHIAA for clarification.**

*Petition

- II. By-Law Article XXXIII: Swimming and Diving; Sect. I: Swimming and Diving shall be administered by the NHIAA Swimming and Diving Committee and the rules of the National Federation will govern the sport when applicable.

III. **Individuals/Teams:**

Section 1: Teams recognized by the NHIAA Swimming and Diving Committee will be allowed to compete.

Section 2: Teams

A team shall be defined as one (1) or more individuals from one school competing as a unit. The NHIAA Swimming and Diving Committee recognize boys and girls as separate teams and shall compete accordingly.

- Member schools that wish to enter their team in regular season meets should follow these procedures:
 - i. The Athletic Director or their designee must attend the swim scheduling meeting.
 - ii. The team must be accompanied by an eligible coach appointed by the principal of the sending school.
 - iii. The member school, which the swimmer/diver attends and represents, must meet all NHIAA requirements prior to the team participating in any competition sponsored by the NHIAA or its member schools.

Section 3:

If you have individual athletes swimming with another school (piggybacking), it is the duty of the Athletic Director of the “home school of the athlete” to ensure that all information necessary for managing the individual’s team entries and results for both the regular season and state meet are submitted. In addition the Athletic Director will need to request a waiver of By-Law Article I: Policy; Sect. 8 A from the NHIAA if the athletes will be practicing with another school. Any school with piggyback athletes will only be allowed to follow the schedule of one lead school.

Section 4:

A team who has less than four (4) swimmers of the same gender may combine with swimmers of the same gender from another school for a relay. This relay and all swimmers will be disqualified and no times may be entered into Swimcloud from this swim. It may not be classified as an exhibition race. The race will count as an entry in a swimmers total number of events. These relays may not be allowed by the meet manager due to facility or time constraints.

IV. **Scheduling Guidelines:**

- All schools must submit a schedule to the NHIAA by November each year.
- **If a school does not attend a meet that is on their swim schedule the swim coach must notify his/her Athletic Director. The Athletic Directors from both schools involved must submit a letter to the NHIAA.**

V. **Fifty/Fifty (50/50) Raffles:**

Fifty/Fifty drawings are permitted by the New Hampshire Interscholastic Athletic Association (NHIAA); at the site of an NHIAA member school hosting any round of an NHIAA tournament event (s). Fifty-fifty raffles will not be permitted at "neutral sites" that are not NHIAA Member School sites.

VI. **Blood Spillage and Body Fluids:**

The NHIAA Sports Medicine Committee suggests that each school develop a local policy in cooperation with their local medical personnel, on how to handle blood spillage.

Housekeeping Procedures for Blood and Body Fluids

Disposable latex gloves should be worn to avoid contamination of the hands of the person cleaning spillages involving blood or other body fluids and secretions. Persons involved in cleaning contaminated surfaces should avoid exposure of open skin lesions or mucous membranes to blood or body fluids. A freshly prepared solution of dilute household bleach (one quarter cup of bleach diluted in one gallon of water) or other disinfectant labeled as *virucidal*, *Tuberculocidal*, *staphylocidal* is useful.

Allow the disinfectant to stand wet for a minimum of one minute to start killing pathogens and disinfecting the area (10 minutes of disinfection time guarantees surface sterility). Whenever possible, disposable towels, tissues, and gloves should be used and properly discarded and mops should be rinsed in disinfectant.

Interpretation of Excessive Bleeding

National Federation Rules call for a player, who is bleeding, has an open wound or excessive blood on the uniform, to leave the court/field.

The NHIAA interprets "excessive blood on the uniform" to mean that part of the uniform is saturated with blood. Saturated does not mean a wet spot. Saturated means a major portion of the garment is covered and soaked with blood. For this to occur, significant bleeding would have had to take place. For any blood on uniform less than "saturated", the uniform does not have to be changed. School personnel have the responsibility of treating the blood area with the appropriate disinfecting solution before the athlete may participate. If the uniform is "saturated" with blood, the uniform must be changed before the athlete may participate. This interpretation is to be followed in the conduct of all NHIAA athletic events.

NFHS Guidelines for Management of Concussions: The NHIAA mandates the following of the NFHS guidelines for management of Concussions.

Concussions: Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.

Please visit www.nhcaa.org; "What's New" to view the NFHS Guidelines for Management of Concussions and the New Hampshire SB402 and its language as written.

VII. Athletic Trainers – Schools requesting medical services are to provide the necessary supplies for the trainer at all regular season and tournament events.

VIII. **NHIAA Site Selection Criteria Policy**

NHIAA Swimming and Diving Committee will be responsible for determining all State Tournament Sites.

- a. Health and safety of participants.
- b. Comfort and safety of spectators (including adequate seating and parking, and restrooms).
- c. Handicapped accessible for spectators.
- d. Relative travel requirements of participating schools.
- e. The ability to sell, collect and account for ticket sales.
- f. Host sites must meet pool, lane and equipment specifications as defined in Rule 2 in the National Federation Swimming and Diving Rulebook.
- g. Facility rental charge (if applicable).
- h. Sufficient parking.
- i. Other costs associated with running the event.
 - Public Safety – Approximate costs
 - Custodial
- j. Receptivity and cooperativeness of personnel working at site.
- k. Provide concessions (Facility keeps all sales).
- l. Provide area for NHIAA memorabilia sales.

IX. Uniforms

All teams must conform to Rule 3; Sect. 3; Article 1 of the National Federation Swimming and Diving Rulebook with regards to uniforms.

- **NOTE:** Each state association may, in keeping with applicable laws, authorize exceptions to NFHS playing rules to provide reasonable accommodations to individual participants with disabilities and/or special needs, as well as those individuals with unique and extenuating circumstances. The accommodations should not fundamentally alter the sport, heighten risk to the athlete/others or place opponents at a disadvantage. Any approved suit accommodation must be constructed of a woven/knit textile material, permeable 100% to air and water, and not aid speed, buoyancy or body compression.

X. School Designated Coach

In order to compete in a regular season/tournament event an athlete must be accompanied by a school-designated coach/adult who has met the coaches' eligibility standards and is enrolled.

NOTE: By-Law Article I, Section 10: School Representatives at Post-Season Activities.

XI. School Representatives at Post-Season Activities

In individual sports it is permissible (although not recommended) for the principal to name a non-faculty person such as a parent as the school designated adult representative to supervise an individual student athlete. The school designated adult must sign in with the tournament director prior to the start of the competition (the sign in sheet is sometimes kept at the pass gate). In the case of a non staff person for an individual tournament, written authorization from the principal must be provided to the tournament director. It is an expectation that the school representative be present throughout the event. Failure to comply will cause a team/individual to be excluded from the tournament event.

XII. Admission and Fees (Per BLA I: Policy, Sect. 18: Admission Fees for NHIAA)

Ticket sales will open thirty (30) minutes before warm-ups begin.

Friday – Diving Championship – Student/Seniors \$5.00 Adults \$7.00

Saturday – Division I and II Swimming & Diving Championship – Student/Seniors \$7.00 Adults \$10.00

XIII. An athlete who has been removed from the meet is not to be sent to the locker room or out of the pool area unsupervised. If no supervision is available for the athlete being removed from the meet, the athlete shall remain on the bench and become the coach's responsibility to supervise.

XIV. By-Law Article IX: Sportsmanship; Sect. 4: Taunting

Taunting in all sports is a flagrant unsportsmanlike foul, which shall result in the ejection of the participant from that day of competition, plus the next day of scheduled competition.

Taunting is defined as:

"Any actions or comments by coaches, players, or other game personnel which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the deeds or words are vulgar or racist. Included is contact that berates, needles, intimidates, or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs, or personal matters."

Examples of taunting that would lead to ejection include, but are not limited to "trash talk", physical intimidation outside the spirit of the game, reference to sexual orientation; "in the face" confrontations by one player to another; standing over/straddling a tackled or fallen player.

NOTE: This policy reinforces the responsibility of game officials, site managers, and game directors during regular season and NHIAA tournament play.

Regular Season Meet Formats

- I. NFHS Rules state that heats shall be swum fastest to slowest, prior to exhibition heats of that event. However, coaches may mutually agree to adjust the seeding of the heats. Host teams must provide meet information to visiting team (s) in writing five (5) days before the meet. Any meet where a diving facility is available the diving event must be run and scored as stated in the NFHS Rule Book.
- II. Exhibition swims/dives count as an official entry. (NFHS Rule 3; Sect. 2; Article 1, a.)
- Exhibition races (the number of heats and choice of events) will be determined by the host school.
- III. Required Dive Rotation: The required dive for each week of competition during the season where the 6 dive format is used is as follows:

11/27 - 12/03	Forward Group Dives in the 100 group
12/04 – 12/10	Back Group Dives in the 200 group
12/11 - 12/17	Inward Group Dives in the 400 group
12/18- 12/24	Twisting Group Dives in the 5000 group
12/25 - 12/31	Reverse Group Dives in the 300 group
01/01 - 01/07	Forward Group Dives in the 100 group
01/08 - 01/14	Back Group Dives in the 200 group
01/15 - 01/21	Inward Group Dives in the 400 group
01/22 - 01/28	Twisting Group Dives in the 5000 group
01/29 – 01/31	Reverse Group Dives in the 300 group
02/09 - 02/11	State Meet 11 dive protocol

Make sure the updated 2023-24 NFHS Dive Chart is used to complete dive sheets.

Week #1 of competition is 11/27 through 12/03 (Monday through Sunday), therefore, week #1 includes the first day to hold a meet, 12/01 and the weekend as well. Week #2 of competition begins 12/04 through 12/10 and so on throughout the season.

The voluntary and optional dive requirements are outlined on the entry sheet for an 11 dive competition.

- IV. It is the responsibility of the athletic director to see that the following are completed
- All schools are required to use Hy-tek Team Manager or Swimcloud. Athletes should not be hand-entered into meets.
 - All schools must update their roster(s) on the Swimcloud website seven (7) days prior to the first day to play (November 24, 2023). If you are using Team Manager, your roster must be exported from Swimcloud and uploaded into Team Manager.
 - Schools hosting meets are responsible for uploading the meet results (including dive results if applicable) to the Swimcloud website within 72 hours of the completion of the meet.
 - Visiting schools are responsible for checking their results on Swimcloud following every meet, and reporting any errors to the host school.
 - All schools are responsible for entering the State Meet on Swimcloud prior to the posted deadline.
 - Inquiries regarding Swimcloud should be directed to Chrystena Ewen at cewen@londonderry.org. In addition all schools should receive a copy of the “How to packet for Coaches” which includes directions for using Team Manager and Swimcloud. Email Chrystena Ewen to request this packet or it can be accessed under the Athletic Directors’ Administrative Log-In section.

Divisional Tournament Information

1. **Tournament Format**

- The Swimming and Diving State Tournament will be a Timed-Finals format.
 - Division I and Division II will be held on same dates with one division being held in the morning, and one division in the afternoon (to be alternated yearly).
 - All diving competition for Division I and Division II will be held on Friday.

2. **Notes:**

- Members of teams shall be allowed to enter the State Tournament provided that the following criteria are met:
 - The swimmer/diver has been designated eligible by the school principal.
 - The team must be registered with the NHIAA.
 - The swimmer/diver has competed (swim or dive) in a minimum of four (4) interscholastic meet dates between member schools during the season.
 - Verification of meet completion is not available thorough Swimcloud. All teams are responsible for verifying that swimmers/divers have participated in a minimum of four (4) interscholastic meets. Failure to compete in a minimum of four (4) interscholastic meets will require a waiver request form, found on the NHIAA Administrative website, and must be submitted by the posted deadline.
 - Qualifying times/scores must be attained during the qualification period at NHIAA sanctioned meets.
- The NHIAA Swimming and Diving Committee shall administer the State Tournament.
- Member schools must have competed on an interscholastic basis to be eligible to participate.
- If a team is ineligible to meet the four (4) meet requirements because of extenuating circumstances the school may petition to the Swimming and Diving Committee for a waiver.
- If a team member has not met the four (4) meet requirement due to an injury, the coach may complete an Injury Petition Form, submit it to the Committee, and request a waiver.

3. **Entry Process:**

- Entries shall be declared on **Swimcloud** website no later than 12:00 p.m. on Friday, February 2, 2024. If your school offers the sport and is not entering any athletes into the meet, or no athletes have qualified for the meet, the NHIAA must be notified in writing before or on the deadline date. Email notification is acceptable. There is no section on Swimcloud to indicate this information.
- **Dive Entries** shall be declared on CleanEntries.com as well as in Swimcloud website no later than 12:00 p.m. on Friday, February 2, 2024 www.cleanentries.com your clean entry sheet should be printed off and faxed/scanned and emailed in to Nate Chaput (nchaput@nhiaa.org) at the NHIAA office. **Coaches should bring copies of regular season confirmation of completed dives to the state meet.**
- If you have an individual athlete swimming with another school, it is the responsibility of the Athletic Director of the “home school of the athlete” to submit ALL information necessary for the State Meet on **Swimcloud**.
- **The committee will review and consider requests for a late entry for causes until 1:00 p.m. Friday, February 2, 2024.**

4. **Relay Entries:**

- A team must have earned a relay time (any four athletes) in order to enter that event at the state meet.
- All relay teams must include one or more qualified athletes entered in the meet. All relay cards with relay designations shall be submitted at the times stated in the meet information. Any swimmer on a team's roster is eligible to swim relays.
- Relay Only Swimmers:
 - If a team has one to three (1-3) qualifying athletes for the state meet, four (4) relay only swimmers will be allowed to be submitted.
 - If a team has four (4) qualifying athletes for the state meet, three (3) relay only swimmers will be allowed to be submitted.
 - If a team has five or more (5+) qualifying athletes for the state meet, two (2) relay only swimmers will be allowed to be submitted.

5. **Scratch Times:**

The scratch time for all entries is 30 minutes prior to start of session.

6. **Coaches On Deck:**

There shall be no more than four (4) coaches on deck per team at any time. Two (2) coaches for each gender is suggested; i.e. two (2) girls coaches and two (2) boys coaches. Understanding that a coach must supervise all athletes at all times.

7. **Awards:**

Official NHIAA championship and runner up plaques and medals will be awarded to the respective champion and runner up teams for both boys and girls. Medals will be awarded to the top six (6) competitors in each event for boys and girls and ribbons will be awarded to the 7th through 12th place competitors in each event for boys and girls.

8. **NFHS recognizes the top ten (10) honor roll performances in each event and they are published in the National High School Sports Record Book. Athletic Directors may obtain a form from the NHIAA to submit individuals for consideration. This must be submitted by June of ending school year.**

9. **Protest Procedure At State Tournaments:**

During State Tournament play, there shall be no appeals of protests to the Executive Director. All protests shall be resolved at the State Meet at the time of the protest by the NHIAA protest Swimming and Diving Committee. An eligibility protest shall be made no later than 30 minutes after the competitor's first event of the session. NO protests shall be made as to the competitors eligibility thereafter.

10. **Tournament Qualification Standards****Swimming: Division I**

Event	Boys	Girls
50 Freestyle	26.49	28.99
100 Freestyle	59.49	1:03.99
200 Freestyle	2:17.99	2:17.99
500 Freestyle	6:24.99	6:24.99
100 Butterfly	1:08.99	1:15.49
100 Backstroke	1:10.99	1:12.99
100 Breaststroke	1:17.99	1:22.99
200 Individual Medley	2:33.99	2:39.99

11. **Tournament Qualification Standards****Swimming: Division II**

Event	Boys	Girls
50 Freestyle	26.99	28.99
100 Freestyle	59.99	1:03.99
200 Freestyle	2:19.99	2:24.99
500 Freestyle	6:24.99	6:24.99
100 Butterfly	1:13.99	1:15.49
100 Backstroke	1:12.99	1:13.49
100 Breaststroke	1:19.99	1:22.99
200 Individual Medley	2:37.99	2:40.49

12. **Diving:**

Divers shall have successfully completed (average score of 3.5 or greater) a minimum of eleven (11) different dives in competition throughout the season. Two (2) different dives from each of the five (5) categories and one (1) additional optional dive from any of the five (5) categories to total a minimum of eleven (11) different dives. NO diver shall attempt a dive at the State Championship Meet that he/she has not competed at least once during the qualification period with an average score of 3.5 or greater.

Divers will complete preliminary rounds of eight (8) dives, including one dive from each of the five (5) categories. The top six (6) male and female divers will advance to the finals to complete the remaining three (3) dives. Divers finishing in places seven (7) thru twelve (12) after eight dives shall complete their remaining three dives and may move up into the top six places based on total scores after the final dives. The final twelve places shall be determined by the overall score for eleven dives. Divers shall submit their dive sheets for preliminaries and finals at the times designated in the Meet Entry.

13. **Tournament Event Postponements (Weather)**

- **Neutral Site – During the Week:** The decision to postpone a tournament meet during the week will be made by the NHIAA. Schools, Supervisor of Officials, Game Directors, Police and Trainers will be notified by the NHIAA.
- **Neutral Site – Weekends & Holidays:** The decision to postpone a tournament meet on weekends and holidays will be made by the NHIAA. **SCHOOLS WILL NOT BE NOTIFIED.** It will be the responsibility of the schools playing to check the NHIAA website (visit www.nhiaa.org and click on the “Special Alert” link).
