Any action taken by the Sportsmanship Committee may be appealed in accordance with the due process procedures outlined in By-Law Article V.

Sect. 2: School Responsibilities

Member schools are expected to conduct their interschool relationships in a spirit of good sportsmanship in keeping with the philosophy of the NHIAA. The principal, as the administrative leader of the high school, has the responsibility of exhibiting the principles of good sportsmanship.

- A. Each school shall establish broad and specific policies and procedures relating to sportsmanship and identifying responsibilities of administrators, coaches and students to ensure their observance.
- B. Each school shall insist that personnel set good examples of deportment and shall correct individuals who violate rules of good sportsmanship at a time convenient and in a manner adequate for the situation.

The designated school representative must identify himself/herself to the game director upon arrival at the tournament event. He/she shall be available throughout the event with the responsibility of identifying and assisting the game director when corrective action is necessary to control incidents of poor sportsmanship involving their school. (This By-Law shall apply to the sports of Baseball, Boys and Girls Basketball, Field Hockey, Football, Ice Hockey, Lacrosse, Boys and Girls Soccer, Softball, Spirit, Volleyball. Sect. 3: Media Relations

Coaches, *players* and other School Officials/Media Relations:

In an effort to ensure a relationship between coaches, players and other school officials and the media, which will reflect and promote the highest standards of sportsmanship, integrity and ethics, it is expected: Coaches, *players* and other school officials should make an effort in their communications with the media to stress the positive displays of sportsmanship demonstrated by the student athletes, coaches, spectators, and schools involved in the contest. Additionally coaches and school officials:

1. Will not permit anyone under their supervision to criticize athletic contest officials.
2. Will cooperate with the media in the interpretation and clarification of rules and other aspects of the athletic contest.
3. Will not comment about specific decisions of game officials.

Any coach or *player* found in non-compliance with this By-Law shall not participate in the next scheduled interscholastic athletic event, including NHIAA tournament Contests. A second violation of this rule shall cause disqualification from coaching or *playing* in that sport for the balance of that season. Principals and athletic directors are to monitor this By-Law and it shall be the responsibility of the school to file a report to the NHIAA within 72 hours including the name of the rule violator, a copy of the article (if available), *and action taken*.

Sect. 4: Taunting

Taunting in all sports is a flagrant unsportsmanlike foul, which shall result in the ejection of the participant from that day of competition, plus the next day of scheduled competition.

Taunting is defined as:

"Any actions or comments by coaches, players, or other game personnel which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the deeds or words are vulgar or racist. Included is contact that berates, needles, intimidates, or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs, or personal matters."

Examples of taunting that would lead to ejection include, but are not limited to "trash talk", physical intimidation outside the spirit of the game, reference to sexual orientation; "in the face" confrontations by one player to another; standing over/straddling a tackled or fallen player.

NOTE: This policy reinforces the responsibility of game officials, site managers, and game directors during regular season and NHIAA tournament play.

Sect. 5: Hazing

Hazing refers to any activity expected of someone joining a group (or to maintain full status in a group) that humiliates, degrades or risks emotional and/or physical harm, regardless of the person's willingness to participate.

Hazing activities are generally considered to be: physically abusive, hazardous, and/or sexually violating. Anything that causes mental anguish or physical discomfort is considered to be classified as hazing.

Hazing or harassment practices of students will be disciplined according to School Board policy and will be reported to the police, in accordance with the State of NH Student Hazing Law RSA 631.7.

NOTE: The NHIAA encourages all member schools to develop a policy on hazing.

The school may request a hearing with the Executive Director and/or Sportsmanship Committee to explain the circumstances of the situation. The Executive Director, in consultation with the Sportsmanship Committee may modify consequences. It is the coach's responsibility to promptly notify the school of any disqualification and the school must immediately impose the stated sanctions regardless of when formal notification is received from the NHIAA.

Individual schools can determine if a disqualified student athlete is allowed to continue practice or other school activities or whether to exclude the student athlete as in the case of a disqualified coach.

- B. A disqualified student athlete **must** view the "NFHS Sportsmanship" video on the NFHS website under the supervision of a school official prior to returning to game action. * This decision cannot be appealed to the NHIAA Sportsmanship Committee, as it is considered to be a judgment call by a game official.

Sect. 7: Executive Authority

The NHIAA Sportsmanship Committee, through the Executive Director, has the authority to investigate and take appropriate action on any reported flagrant violation of the Sportsmanship Rules occurring during the regular season or at NHIAA Tournament competitions.

Sportsmanship Award Criteria

Member schools are considered for a sportsmanship award (one in each division) yearly. Schools will vie for a sportsmanship award in the division in which they play a majority of their sports.

Each school rates their opponent's **program** on "sportsmanship" while competing against a school in all varsity sports (home or away).

- In traditional team sports such as soccer, basketball, softball and baseball, a separate rating is given for each time a school competes.
- For non-traditional team sports such as cross country, wrestling and track, each school provides one rating based on the overall sportsmanship experience with a school.

All schools will be given a score that is based on the number of ratings received and the total number of points earned based on the ratings the school received. The schools by division are submitted in order of their sportsmanship ratings 1st – 3rd to the Sportsmanship Committee for consideration.

In order to be eligible for the banner award, a school must offer at least one varsity team sport per season (individual sports are not team sports).

The Sportsmanship Committee applies the following equation when considering the banner recipients:

- Raw sportsmanship rating scores will determine final sportsmanship rankings for 1st-3rd
- Schools receive -.05 for each student disqualification throughout the year
- Schools receive -.1 for each coach disqualification throughout the year
- Student disqualifications given to cooperatives will be assessed the student athlete's "home school."
- Coach disqualifications given to cooperatives will be assessed to all schools in the cooperative.
- Sportsmanship at post season games is factored in.
- The school remaining with the higher rating will be determined the "winner" of the Sportsmanship Award.
- If there is a tie for first place after deductions have taken place, the winner will be determined by whichever school was listed higher on the initial total sheet submitted by the divisional representative.
- The Sportsmanship Committee bears the right to determine the severity of the disqualification and whether points should be deducted.
- A large banner is awarded to the winner in each division, which is presented at the NHIAA Annual Meeting.
- A small banner is awarded to the runner-up in each division.

If a school does not provide ratings for any varsity sport that the school participates in as a team, that school will not be eligible for the Sportsmanship Award. (CM 5.2015)
