Sect. 1: The Sports Officiating Committee shall consist of administrators and athletic personnel from the member schools.

Sect. 2: The Committee shall be empowered to act on all matters that pertain to interschool sports officiating, which occur before, during, and after interscholastic athletic contests. Assignments of tournament officials shall be referred to the respective sports committee for action.

Sect. 3: The Committee shall recommend to the NHIAA Finance Committee maximum fees for all sports officials, during **pre-season**, regular season and state tournaments. Input regarding state tournament fees shall be solicited from the respective sports committees.

Sect. 4: Administration of Sports Officials

Each Sport Official Association shall be required to administer to the individual members of their association in a manner reflective of their own constitutions and or by-laws. In addition, the NHIAA has established standards that all Sports Officiating Organizations must follow in order to work with NHIAA member schools. These standards are outlined in NHIAA By-Law Article X “Sports Officiating.” The NHIAA will enter into yearly contracts with the various Sports Officiating Organizations on behalf of our member schools. It is the expectation of the NHIAA that each Sports Officiating Organization comply with all tenets outlined in By-Law Article X “Sports Officiating.” Failure to adhere to the standards set forth under this By-Law will be considered a breach of contract between the NHIAA and the Sports Officiating Association for that particular sport. The NHIAA retains the right to sever all ties with a Sports Officiating Organization that fails to meet the requirements in By-Law Article X.

Minimum Standards for Sports Officiating Organizations:

- A. Shall establish, implement, and maintain an effective evaluation system for all members of their association.

Special accountability and responsibility for proper compliance lies with the appointed Supervisor of Officials who must be approved by the NHIAA Council. Failure to come to agreement over the appointment of this individual may be considered a breach of contract between the NHIAA and the Sport Officiating Association for that particular sport and will be the basis for a breach of contract. It is expected that only properly enrolled officials as outlined in By-Law Article X, Section 5: Enrollment of NHIAA Officials; will be assigned NHIAA contests and it is the responsibility of the officials organization to ensure compliance with these rules. Failure to do so will be considered a breach of contract and the basis for the NHIAA to seek a different Sport Officiating Association.
