Bass Fishing

Coed

Sect. 1: Bass fishing shall be administered by the NHIAA Bass Fishing Committee.

Sect. 2: Participation

Only individuals from NHIAA Member Schools may participate in the tournament

Sect. 3: General Fishing Tournament Information for Schools:

- According to NH Fish and Game Department rules, a "Fishing tournament means an organized fishing event conducted on the freshwaters of the state in which participants, whether or not pre-registered, compete for cash awards or other prizes including but not limited to trophies, citations, ribbons, or points."
- All fishing tournaments must be permitted by the NH Fish and Game Department and a free "water event permit" must be obtained from NH Marine Patrol, Department of Safety.
- Bass are only allowed to be held alive and culled (the act of exchanging a fish for another one of the same species already in your live well) during permitted bass tournaments. Therefore, any school fishing event that does not obtain a bass tournament permit is not allowed to hold a weigh-in or to keep bass alive (i.e. all fish would have to be released immediately).
- Refer to the Bass Fishing Policy and Procedures Manual for additional information.
