If you wish to bring your own spring board be sure that it is properly labeled and left at the event in which it will be used.

Trainer will be on duty during stretching. You must supply your own tape!!!

**Only coaches and team members listed on the roster will be allowed in competition area!!!  
No exceptions.**

All music must be provided on iPods, phones, MP3, or anything through an auxiliary cord; there is no CD/cassette player available.

No one should approach the head table during the meet. Prior to meet you can give changes to scorers. Please see Meet Director, Tim Powers, Headmaster, Pinkerton Academy, for any problems.

**If there are any scheduling necessities due to shared coaches please e-mail Haven Milton ASAP at [havennhsc@aol.com](mailto:havennhsc@aol.com) or rotations will be done strictly by numbers.** Teams will be seeded by the average of their top three (3) scores and will rotate in Olympic order.
