POINTS OF SPECIAL EMPHASIS

1. By-Law Article I Policy; Sect. 8: Extra School Contests

- A. No scrimmages, exhibitions, or practices of any type involving any NHIAA member schools shall be permitted after the first scheduled contest has been played by that school in that sport. Additionally, teams cannot participate in any post-season contests at any level once the sports season, as defined by the NHIAA, has been completed. Teams in the sport of indoor track may practice/compete in National Federation sanctioned events between the end of the sport season and the CNESSPA (New England) Championships. Participation in non sanctioned events cannot be granted by the NHIAA as it would violate the mandate to follow NFHS Rules. Individuals wishing to participate in such events may do so as long as they are not representing their member school. This means no school uniforms, registration as an individual only, and no school sponsored transportation. If a group of students from a school or schools choose to take a bus to an event they may collectively do so as long as it is not sponsored by the school district. Upon a written request from the school principal a coach may be present at a non sanctioned event if participation is for the reason cited in the Extra School Contest By-Law.

2. Concussion Statement:

The NHIAA mandates the following of the NFHS guidelines for management of Concussions.

Concussions: Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.

Please visit www.nhiaa.org; “What’s New” to view the
NFHS Guidelines for Management of Concussions
and the New Hampshire SB402 and its language as written

3. Electronic Devices:

Personal electronic devices are prohibited in the competition area at all times, including while warming up. Violations may result in a disqualification.

15. **Conversion Times:** For qualifying purposes conversion time from meet results will be allowed for the 1500 and the 3000. These times must be converted by the "Battle Notes" Coordinator. En-route times will not be accepted.
16. If there are less than 12 final entries in an event the NHIAA Indoor Track Committee will fill the field up to 12 athletes, selecting these athletes from non-qualifiers. In the hurdles and dash the Committee reserves the right to fill the field up to 16 in case of ties. This will be done at the seedings meetings by those coaches present.
17. After the seeding meeting, no changes to entries will be allowed. If an athlete scratches from an event, he/she is out of the meet from that point on. This means that they cannot compete in the end of the meet relays.
18. If an athlete is entered in multiple events, the Indoor Track Committee reserves the right to enforce an "Honest Effort" Policy.
19. **Uniforms:**

All team members shall wear the school-issued uniform. In relay races, each team member shall wear identical uniforms (same color and design of jersey and shorts). In relay races, when other apparel is worn under the jersey, it must be a single solid color and the same color for all relay team members who choose to wear it. When spandex or similar undergarment is worn under the uniform bottom and terminates above the knees, it is considered a foundation garment and not subject to any restrictions. It does not need to be identical for all team members choosing to wear it nor does it have to be a single, solid color. When spandex or similar undergarment is worn under the uniform bottom and extends below the knees, it must be unadorned and a single solid color, meet logo restrictions (a single manufacturer's logo and/or school name or insignia no larger than 2 ¼ inches), and be the same color for all relay team members who choose to wear it. The key is the length of the undergarment when worn as intended by the manufacturer. No hats or caps or other adornment may be worn.
20. **SCHOOL REPRESENTATIVE AT POST – SEASON ACTIVITIES**
(BY-LAW ARTICLE I: Policy; Sect. 10)

Athletes participating in NHIAA sponsored post-season activities must have a school designated adult supervisor in attendance at the event throughout the athletes' participation in such event. The school designated adult supervisor must be authorized by the high school principal. The school designated adult must be a member of the faculty and staff of the school, preferably an administrator. This person should have the authority and skills to deal with issues that could arise during a tournament event to include dealing with coaches, student athletes, and fans. In individual sports it is permissible (although not recommended) for the principal to name a non-faculty person such as a parent as the school designated adult representative to supervise an individual student athlete. The school designated adult must sign in with the tournament director prior to the start of the competition (the sign in sheet is sometimes kept at the pass gate). In the case of a non staff person for an individual tournament, written authorization from the principal must be provided to the tournament director. It is an expectation that the school representative be present throughout the event. Failure to comply will cause a team/individual to be excluded from the tournament event.
21. **50/50 RAFFLES:**

Fifty/Fifty drawings are permitted by the New Hampshire Interscholastic Athletic Association; at the site of an NHIAA member school hosting any round of an NHIAA tournament event(s). Fifty-fifty raffles will not be permitted at "neutral sites" that are not NHIAA Member School sites.

22. **JEWELRY AND BODY PIERCING RULE:**

Prohibition of jewelry is not necessary in track and field and cross country. The wearing of jewelry ordinarily present little risk of injury to either the competitor or opponents. Elimination of the rule allows officials to focus on meet administration directly related to competition. Coaches continue to have the obligation to see that competitors are properly equipped.

23. **ELECTRONIC DEVICES:**

Personal electronic devices are prohibited in the competition area at all times, including while warming up. Violations may result in a disqualification.

24. **TOURNAMENT EVENT POSTPONEMENTS (WEATHER):**

- **Neutral Site – During the Week:** The decision to postpone a tournament event during the week will be made by the NHIAA. Schools, Supervisor of Officials, Game Directors, Police and Trainers will be notified by the NHIAA.

- **Neutral Site – Weekends & Holidays:** The decision to postpone a tournament event on weekends and holidays will be made by the NHIAA. **SCHOOLS WILL NOT BE NOTIFIED.** It will be the responsibility of the schools playing to check the NHIAA website (visit www.nhiala.org and click on the “tournament info” link). The NHIAA will notify Game Directors, Supervisor of Officials, Police and Trainers. **TEAMS PLAYING IN EARLY GAMES SHOULD NOT LEAVE FOR THE TOURNAMENT SITE UNTIL THE NHIAA WEBSITE HAS BEEN UPDATED.**

25. **NEW ENGLANDS**

A total of 6 athletes from each event including relay teams from both Divisional Meets combines, will qualify for the New England Championships. Times and distances from the Division Meets will be used for the New England Seedings.

26. **APPEAL PROCESS:**

Larry Martin will serve as the referee at the NHIAA Indoor Track State Meets. Any protest you have should be directed to him directly, and he will rule on your protest.
