

2018-19

POLICY AND PROCEDURES

FOR

Bowling

NHIAA BOWLING COMMITTEE

Peter Paladino, Chair, Bishop Guertin; Janet Boyden, Pinkerton;
Tim Frye, Asst. Chair, Souhegan; Erin Kelly, Spaulding; Keith Martin, Goffstown;
John Vaccarezza, Manchester Central; Shawn Wadsworth, Stevens

New Hampshire Interscholastic Athletic Association
251 Clinton Street
Concord, N.H. 03301-8432
Phone 603-228-8671 Fax 603-225-7978 E-Mail info@nhiaa.org

This manual is published by the New Hampshire Interscholastic Athletic Association 251 Clinton Street Concord, NH 03301 – Neither the whole nor part of this publication may be copied or reproduced and/or translated without first obtaining written permission from the publisher.

Points of Special Emphasis:

- Regular Season game-day rosters shall not exceed 16 bowlers for each match. Eight (8) bowlers may be used for varsity; eight (8) bowlers may be used for sub-varsity. It is the Bowling Committee’s suggestion that all coaches adhere strictly to this ruling.
- **Rescheduling a Match**
 - When a match is cancelled or postponed due to weather, the teams shall reschedule the match. It is expected that schools will make every effort to participate in the “rescheduled match.” In the event any one of the schools scheduled in the original match is unable to participate, the match may be played.”
Note: If the school is unable to schedule or to play in a rescheduled match a letter must be submitted by the athletic director within 24 hours to the NHIAA Bowling Committee through the Executive Director explaining the circumstances. The Executive Director will award a forfeit loss to the school if it is determined that the match should have or could have been made up. The decision of the Executive Director may be appealed to the Bowling Committee within three days of making the original decision.
 - Rescheduling responsibility falls on the host school’s athletic director to come up with a plan and contact all of the schools involved.
- During a baker match if a player bowls out of their assigned position or a player that has been previously substituted out from that game is reentered, the frame will be marked as a zero and will move to the next assigned player.
- **Bowling Rosters (Team & Individual) are Due: February 12, 2019** – Roster Form is available under AD Forms
- **Uniform / Dress Code:**
Slacks/Skorts are required for all participants in a match, and hats are not permitted (this rule applies to both student-athletes and coaches). Uniforms must be worn during the entire length of competition (participants shall keep team shirt on). Matching collared shirts and slacks/skorts of a similar color will be required for all varsity teams. The host school coach will be responsible for ensuring everyone is in compliance in regards to uniforms/dress code. Athletes not in proper dress shall not be allowed to participate until corrected (jeans, cargos, yoga pants, leggings, sweatpants will not be allowed).
- Rosters for the bakers match must be submitted to the host coach after the standard round.
 - A maximum of 8 varsity athletes will be allowed in the line-up.

Participating Schools:

2018-19 Bowling Divisional Alignment

One Division – 15 Schools

Pinkerton	3449	Goffstown	1114	Coe-Brown	714
Keene	1420	Winnacunnet	1078	Sanborn	646

****All schools should register their team on-line at: www.bowl.com/highschool/index.jsp****

1. Scoring:

There are two types of scoring systems that will be used for NHIAA competitions:

- a. Standard Ten Pin Scoring – Every frame must be completed by each player bowling in a regular order.
- b. Baker System Scoring – The Baker format is mainly used in five-person team competition where the number one bowler completes the first and sixth frames, the number two bowler completes the second and seventh frames, the number three bowler completes the third and eighth frames, the fourth bowler completes the fourth and ninth frames, and the number five bowler completes the fifth and tenth frames.
- c. **** The NHIAA will use scratch competition for interscholastic events, and will not use any sort of handicapping system ****

2. Substitutes:

For the Baker style games, a coach may remove a bowler during a game and put in an alternate (this includes putting in a substitute in the middle of a frame). Once a bowler has been substituted for they may not re-enter during that game. However, they may re-enter during the next Baker game.

For Standard Ten Pin games, a bowler must bowl the entire game. A coach may only substitute for a bowler between games 1 and 2 unless an injury occurs, then a coach may substitute at that point but that game will not count towards either bowler's individual average.

3. Regular Season Match Format:

- a. All teams involved in the match will bowl two standard scoring games consisting of five (5) bowlers from each team.
- b. Any bowlers who arrive late may not join a game already in progress, and will receive zeroes for the game or frames they were supposed to be in (if there are only four bowlers on-site for the start of the game). They can then be placed in the line-up at the beginning of the next game.
- c. Teams will then be seeded based on the total amount of pins for the two games. Any ties will be broken with a 9th & 10th frame roll-off (in a four (4) team match, if two teams are tied for the 2nd and 3rd seed there will be no roll-off as both teams will compete against each other).
- d. All individual points are awarded at the conclusion of the two standard games. Points are awarded based on seed. In a 5 team match, the 5 seed after the two games will receive 0 individual points, as these points are awarded before the one game head to head baker match to determine the 4th seed for the baker round.
- e. In a five team match, the #4 and #5 seeded teams will take on each other, in a single head to head game, to narrow the field down to four teams. All teams who receive a bye are allowed to bowl a practice Baker style game on an assigned lane.
- f. In a four team match, the #1 seed will take on the #4 seed in a best 2 out of 3, Baker style match, while the #2 seed will take on the #3 seed in a best 2 out of 3, Baker style match. The winner of each of those matches will then take on each other in a best 2 out of 3, Baker style match to determine first and second place, while the losers of the two matches will take on each other in a best 2 out of 3, Baker style match to determine third and fourth place.
- g. In a three team match, the #1 seed will receive a bye, and the #2 seed will take on the #3 three seed in a best 2 out of 3, Baker style match with the winner taking on the #1 seed. In a five team match, the #4 and #5 seeded teams will take on each other to narrow the field down to four teams. All teams who receive a bye are allowed to bowl a practice Baker style game on an assigned lane.

There must be a minimum of three teams at a match. The point breakdown is as follows:

Three Team Scoring Format

Place	Individual	Baker
1st	4	8
2nd	3	4
3rd	0	0

Four Team Scoring Format

Place	Individual	Baker
1st	4	8
2nd	3	6
3rd	2	3
4th	0	0

Five Team Scoring Format

Place	Individual	Baker
1st	4	8
2nd	3	6
3rd	2	4
4th	1	2
5th	0	0

Example:

In a 5 team match if team A comes in 5th they would be awarded 0 points for their 5th place finish. Then team A and the 4th place team play off, if team A beats the 4th place team, the 4th place team goes home with one point. If the 4th place team beats team A, team A goes home with 0 points.

4. Standings:

Regular Season Standings will be determined by total cumulative team points.

5. Tie Breaker For Regular Season Match:

- a. **Baker Match:** For a 9th & 10th frame roll-off, the ninth and tenth frame bowlers will repeat; one to bowl the 9th frame and one to bowl the 10th frame. There are no substitutions allowed during a roll-off unless an injury occurs. The higher seeded team gets to choose either the lane they would like to bowl **or** the order in which they would like to bowl. So for example, if Team A is the higher seed and opts to bowl second in the order, then Team B would get the choice of lane (and vice versa). The team with the highest two frame total wins. If a tie still exists, teams will “flip-flop” order and lanes, and bowl another 9th and 10th roll-off. This will continue until the tie is broken.
- b. **Standard Ten Pin Match:** In the event of a tie for the standard ten pin match, the team with the highest single game total would be awarded the higher seed and bonus point.

6. Tie Breaker for Tournament Standings:

Any ties in the final regular season standings will be broken as follows:

1. Total Team Pinfall for regular season (standard scoring team total from each match).
2. Coin Toss

7. Practice During the Day of Competition:

None of the competition lanes within the bowling establishment may be used for practice by any team member or substitute on the day of any match or tournament except for certified USBC Youth scheduled matches. Bowlers may bowl on all other lanes before a match.

8. Before Competition Begins:

Bowlers will receive two practice balls per lane on their scheduled starting lanes only before competition.

NOTE: There will be no warm ups allowed for semifinals and finals at the team tournament.

9. Practice Lanes During Competition:

Only those individuals not bowling in the present game can practice on the practice lane. Once the bowler has been removed from the game, he/she may go to the practice lane. Any individual practicing on the practice lane while bowling in a game will subject their frame(s) to forfeiture.

9. Legal Lineup:

In addition to the varsity team, each school may bring up to two sub-varsity teams to compete in a match. A school must have a minimum of four (4) bowlers in order to compete, and can have a maximum of eight (8) bowlers for a match. If a team only has four (4) bowlers for the Baker portion of the match, then the coach will determine which bowler/two frames the team will receive a zero (0) for their score prior to the match beginning. Regular Season game-day rosters shall not exceed 16 bowlers for each match. Eight (8) bowlers may be used for varsity; eight (8) bowlers may be used for sub-varsity. It is the Bowling Committee’s suggestion that all coaches adhere strictly to this ruling.

10. Scorekeeping / Protests:

Scorekeeping will be performed by the coach for each team if the center does not have automatic scoring, or the scoring system is malfunctioning.

During a baker match if a player bowls out of their assigned position or a player that has been previously substituted out from that game is reentered, the frame will be marked as a zero and will move to the next assigned player.

All protests or discrepancies during a regular season match must be settled on-site. Any protests or discrepancies during the team or individual state tournament will be settled by members of the NHIAA Bowling Committee and/or the rules interpreter.

11. Conduct of Coaches and Players:

- a. Right-of-way. Bowling lanes are placed side-by-side and when a person is poised and ready to throw the ball, the person or persons on the adjacent lanes should wait for them to complete that turn before stepping on the approach for their turn. There is nothing more distracting to a bowler than being locked in on the mark and have someone fly past them on their right or left.
- b. Keep food and drinks out of the bowler's settee area (this is the area immediately surrounding the automatic scorekeeper console in most bowling centers). When a bowler gets on the lane approach and throws the ball, the importance of having their last step slide should be very evident both from a safety and delivery of the ball standpoint. If anything gets on the bottom of a person's sliding foot, they will stick at the foul line and fall on the lane. At minimum, it will be a tremendous strain on the leg and body. **Also, please do not bring food or drink into the bowling centers.**
- c. All cell phones, iPod's, MP3 players and any other electronic devices must be turned off while in the settee area. If any individual is found in violation of this policy, the team will receive a warning. Any subsequent violation by any member of that team will be disqualified for the remainder of the match. ****Violations are to be reported to the match host, who will then alert the coach of the warning or disqualification****
One group warning will be given at the state tournament about the use of electronics in the settee area. Athletes will then be disqualified if found in violation of the rule.
- d. Use your own equipment unless you have permission to do otherwise. Even if you are using a house ball, it can be very disconcerting if someone uses the ball that you personally selected for yourself. This becomes even more acute if you have purchased your own equipment and another person uses them without asking.
- e. Be ready to take your shot when it is your turn. Certainly there is no need to rush when taking a shot, but please be ready to take your turn as soon as the bowler in front of you is finished. It is imperative that we maintain an appropriate "pace of play".
- f. Coaches must monitor their team at all times and step in when necessary.
- g. Please use warm-up lane for that purpose only. There are to be no trick shots or fooling around on any lanes in the house during a competition. Those lanes are set aside by the house for serious warm-up/practice, and student-athletes must not abuse the privilege of having that lane made available.
- h. Don't make loud noises or do anything distracting when another person is on the lane ready to deliver their ball. Since bowling is done in an enclosed environment, people from several lanes away could be distracted by your "unsportsmanlike conduct." Also, please remain with your team in the settee area. Student-athletes should not venture into another team's area during competition.
- i. Respect the bowling center and don't abuse the lanes or equipment. The centers around the state have gone above and beyond to provide for our student-athletes, and allow bowling to be a high school sport in New Hampshire. Please be respectful so that we can maintain the relationships we have with the centers because without them, we would not be able to bowl. Unsportsmanlike conduct, including deliberate fouling, unusually loud or vulgar language or abuse of equipment and facilities is prohibited. Anyone found in violation is subject to removal from that day's competition.
- j. In addition to displaying appropriate sportsmanship while competing, student athletes and coaches are reminded that we are guests while participating in matches. All people involved need to be sensitive to this issue and respect the property and people of the host site. Inappropriate or disrespectful behavior anywhere on the property gives everyone a bad name and can result in the loss of a match site. Failure to display proper behavior, even when not actually competing, will be considered unsportsmanlike and may result in disqualification and removal from the existing and/or future meets. Coaches or other responsible adults are expected to provide adequate supervision for their student athletes at all times.

- k. The coach(es), players bowling in the match, and NHIAA officials are the only persons authorized to be in the bowlers' area during the match. Substitutes or any other interested parties must remain behind the area defined as the bowlers' area.

12. Uniform / Dress Code:

Slacks/Skorts are required for all participants in a match, and hats are not permitted (this rule applies to both student-athletes and coaches). Uniforms must be worn during the entire length of competition (participants shall keep team shirt on). Matching collared shirts and slacks/skorts of a similar color will be required for all varsity teams. The host school coach will be responsible for ensuring everyone is in compliance in regards to uniforms/dress code. Athletes not in proper dress shall not be allowed to participate until corrected (jeans, cargos, yoga pants, leggings, sweatpants will not be allowed).

13. Submitting Score:

The AD or coach of the host school must collect all score sheets after the competition, and submit them by the Monday following the event to the NHIAA office nchaput@nhiaa.org or fax them to 603-225-7978

14. Individual Qualifier:

By-Law Article XVI: Bowling Sect. 7: Tournament Selection

An individual is required to compete/score in a minimum of 14 and maximum of 28 games/events to qualify for the Individual and Team State Meets.

15. Individual State Tournament:

There will be two flights for the NHIAA Individual Bowling Championships:

Championship Flight: Top 32 bowlers in terms of average for standard scoring games.

Medal Flight: The next 32 bowlers (#33 – 64) in terms of average for standard scoring games.

- The top bowler will be recognized in both the Championship and Medal Flight, with the Individual State Champion being the winner of the Championship Flight.
- There will be no rounding individual averages in determining flight placement.
- If there is a tie for the final spot in either or both flights, all bowlers tied for that final position will be included in that flight.

All individuals who qualify for the Championship and Medal Flights will bowl three (3) games (all bowlers will move to the next assigned pair to the right after each game in this round within the cluster of lanes).

At the conclusion of the third game, the top 16 bowlers will be seeded #1 - #16 to play in a single elimination, head to head competition to get down to four (4) bowlers (two rounds of head to head competition). Therefore the #1 seed will compete vs. the #16 seed, the #2 seed will compete vs. the #15 seed, etc. All matches will consist of one (1) head to head game. Any ties for the 16th seed (final position) will be broken by a 9th and 10th frame roll off.

Any ties for positions 1 – 15 will be broken in the following order:

1. Highest game of the three.
2. Total of highest two games.
3. Scoring average from the regular season.
4. Coin flip.

At the conclusion of the 2nd round, the four (4) remaining bowlers will be seeded by their cumulative score from all five (5) games played to compete in a step-ladder final. In the step ladder final the #3 seed will face the #4 seed, with the #2 seed automatically advancing to the semi-finals (to face the winner of the #3 vs. #4 match) and the #1 seed automatically advancing to the finals (to face the winner of the semi-final match). All matches in the step ladder finals will consist of one (1) head to head game. All ties in the step-ladder finals will be broken by a 9th and 10th frame roll-off, including ties for seeding purposes.

16. Team Qualifier:

By-Law Article XVI: Bowling Sect. 7: Tournament Selection

A team is required to compete in a minimum of seven (7) and maximum of 14 games/events to qualify for the State Meet. Individuals shall qualify using the language stated in #14 Individual Qualifiers, to compete with the team.

17. Team State Tournament:

Up to 70% of teams with the highest points for the regular season will qualify for the Team State Championship, and will be seeded according to the official NHIAA standings outlined on page 4 (these are tabulated by the chair). Any ties in the final regular standings will be broken in accordance to **#6 Tie Breaker for Regular Season Standings** (page 5). The format will be single elimination, best 3 out of 5 Baker Style Matches in the preliminary and second rounds, best 4 out of 7 Baker Style Matches in the semifinal and final rounds. If a tie exists at the end of any of the Baker style games, the tie breaking procedures for regular season match on page 4 will be used to break the tie for that game.

18. Tournament Bracket: Once the official NHIAA Tournament Pairings have been released, there will be no switching or bracket placements. Game times (not date) may be adjusted at tournament contests held at the home of the higher seed, if both teams are agreeable.

At neutral sites there shall be **NO** date or time changes with two (2) exceptions:

- A. Graduation Exercises
- B. Weather and/or facility issues

19. Tournament Rosters:

All tournament teams will be limited to a maximum of eight players

Rosters are now to be submitted utilizing the AD's Admin login.

Bowling Rosters are due: February 12, 2019

Host School Responsibility Check List Bowling

- Confirm with teams scheduled to participate in match as to who will have sub-varsity teams coming, and if so, how many.
- Contact Host Bowling Center to let them know how many lanes are needed for the match, and to go over any special arrangements.
- Provide a sufficient number of seats for bowlers not in the match to be seated. (All coach(es), players bowling in the match, and NHIAA officials are the only persons authorized to be in the bowlers' area during the match)
- Come up with lane assignments prior to match for varsity and sub-varsity teams for both the standard games and Baker matches.
- Print out scoring sheets for each team with the lane assignment as to which lane they will start on.
- Play the National Anthem to begin match.
- Serve as match director and deal with any scoring, behavior, dress code, lane courtesy, etc. issues which may arise.
- Collect all score sheets from each coach, and fax or email (if you are able to scan sheets and email as a PDF) those to the NHIAA office by Monday at noon following your event to nchaput@nhiaa.org

How to set up a Match

- Determine how many lanes you will need to accommodate all teams present.
- Once you have the number of lanes necessary, create lane assigns for the whole match. This will help with the flow and allow for less down time throughout. Leave the pair closest to the wall open for your varsity baker championship match. (If on 13-28, leave 27-28 unused for the entirety of the match. Use 1-2, if you have 1-16).
- Have your varsity teams at the opposite end of the lanes you want to finish on. (If you are finishing on 27-28 have the varsity team start on 13-14). Have the sub-varsity teams on the lanes sandwiched between your championship pair and the varsity teams.
- Once you are done with the qualifying round, have your sub-varsity teams bowl on the lanes that the varsity teams did and vice versa.
- As baker matches complete, keep moving teams toward the wall.
- What this is designed to do is help the flow of the matches, as well as, allow for the center to regain open lanes for business. This should negate any issues we have had where open play or birthdays have been set up right next to the competition lanes. With leaving the end pair for the championship match unused it holds an even advantage for both teams.

NHIAA Official Scoring Sheet

All coaches should turn this sheet into the host school's coach or AD at the conclusion of the match.
 That person must then email or fax the score sheet to Nate Chaput at:
 Email – nchaput@nhiaa.org Fax – (603) 225-7978
