REGULAR SEASON SCHEDULE INFORMATION

I. Completed Schedule And Forfeit:

All teams must complete their entire schedule submitted to the NHIAA. Any scheduled game(s) not played must be reported (in writing by both schools) to the NHIAA prior to the date of NHIAA pairings with an explanation. The Committee will determine if games not played will be considered a forfeit(s) or a no game(s). A team CANNOT forfeit a game to the other team under any circumstances.

II. Make-Up Games:

Make-up games may not be scheduled into the last week of the season. The only games that can be played during the last week of the season are games on the original schedules submitted to the NHIAA.

Exception to Reschedule into the Last Week of the Season: If for some reason, a game must be moved into the last week of the season a letter, prior to the game being played, must be submitted to and received by the Chair of the Committee through the NHIAA Executive Director by both schools outlining the reason(s) for the request.

Please note that any game approved to be moved into the last week of the season must be played by the last date to play. No extension of the season will be granted. If the host team is not able to use their regular season arena on the last date to play, the school must make every attempt to find another arena. If unsuccessful, the visiting team will be given the option to host. If all avenues fail and efforts were made to secure a site, with the approval of the Chair of the Committee and Executive Director, the game may be played on Monday. In the event the game(s) are not played both teams will be issued forfeit losses.

III. **Scrimmages:**

Scrimmages against other schools shall not be permitted during the first three days of practice and after the first scheduled game. This regulation applies to the varsity, sub-varsity, and freshman teams.

The following items apply to the Regular Season as well as the State Tournament:

I. **Special Meeting:**

It is recommended there be a meeting of the principal, athletic director, and the coach to discuss the following:

- A. Team policy and game administration
- B. Sportsmanship and conduct of players and coaches
- C. Sportsmanship and conduct of cheerleaders and spectators
- D. Review the responsibilities for student and spectator sportsmanship and conduct
- E. Transportation plans and departure times
- F. Other items as necessary

II. **Sportsmanship:**

Member schools are expected to conduct their interschool relationships in a spirit of good sportsmanship in keeping with the philosophy of the NHIAA. The principal, as the administrative leader of the high school, has the responsibility of exhibiting the principles of good sportsmanship.

III. **Taunting:**

Taunting in all sports is a flagrant unsportsmanlike foul, which shall result in the ejection of the participant from that day of competition, plus the next day of scheduled competition.

Taunting is defined as: "Any actions or comments by coaches, players, or other game personnel which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the deeds or words are vulgar or racist. Included is contact that berates, needles, intimidates, or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs, or personal matters."

Examples of taunting that would lead to ejection include, but are not limited to "trash talk", physical intimidation outside the spirit of the game, reference to sexual orientation; "in the face" confrontations by one player to another; standing over/straddling a tackled or fallen player.

NOTE: This policy reinforces the responsibility of game officials, site managers, and game directors during regular season and NHIAA Tournament play.

IV. **Disqualification from an Interscholastic Athletic Event:**

- A. Any player who is disqualified before, during or after any sanctioned event at the sub-varsity or varsity level, for exhibiting unsportsmanlike conduct, shall not participate in the next scheduled interscholastic athletic event, including NHIAA tournament contests. Any coach who is disqualified before, during or after a game at the sub-varsity or varsity level, for exhibiting unsportsmanlike conduct, shall not participate in the next two scheduled interscholastic athletic event, including NHIAA tournament contests and **MUST** take the NFHS Teaching and Modeling Course for Disqualified Coaches **prior** to returning to coach in any capacity. Any player or coach who is disqualified from a game and participates in the next scheduled interscholastic athletic event(s), including NHIAA tournament contests, shall cause that school's game(s)/event(s) to be forfeited in the event of a win. In the event of loss (es), the matter will be referred to the Sportsmanship Committee for action. The school may request a hearing with the Executive Director and/or Sportsmanship Committee to explain the circumstances of the situation. The Executive Director, in consultation with the Sportsmanship Committee may modify consequences. It is the coach's responsibility to promptly notify the school of any disqualification and the school must immediately impose the stated sanctions regardless of when formal notification is received from the NHIAA.

Note: During the period of disqualification, a coach **may not be in attendance before, during, or after the game(s)/event(s) for which the disqualification is imposed. The local school administration can impose additional sanctions in addition to the two game suspension required under this By-Law should they feel such action is warranted.** If there is a violation the contest shall be forfeited, or reviewed by the Executive director as noted in Sect. 6 above. Individual schools can determine if a disqualified student athlete is allowed to continue practice or other school activities or whether to exclude the student athlete as in the case of a disqualified coach.

- B. A disqualified student athletes **must** view the "NFHS Sportsmanship" video on the NFHS website under the supervision of a school official prior to returning to game action. A certificate of completion must be filed with the athletic director and reported to the NHIAA.

If a disqualification is administered to a graduating senior or coach in his final game of coaching for that school, it is the expectation that the school will take immediate and appropriate disciplinary action. **
- E. Any player who leaves the bench area during an interscholastic athletic event where an altercation is taking place in the playing area shall receive a one-game disqualification for the next scheduled game.
- **Any player involved in a fight shall receive a two (2) game suspension for the first offense. A second offense will lead to a disqualification in that sport for the balance of the sports season.**

*F. This rule supersedes the NFHS Ice Hockey Penalty Rule 4-5: Game Misconduct Penalties. A player or coach who has received a game misconduct penalty for unsportsmanlike conduct shall be immediately removed from the game by the NHIAA Sportsmanship By-Law invoked as stated above.

*This decision cannot be appealed to the NHIAA Sportsmanship Committee, as it is considered to be a judgment call by a game official.

G. **Per NFHS Ice Hockey Rule 4-5-2:** “Any player who incurs five penalties, and combination of majors or misconducts in the same game, shall be assessed a game misconduct penalty.

➤ **Per NHIAA By-Law Article VIII, Sportsmanship, 6: E:** Any game misconduct for an unsportsmanlike act will result in an NHIAA Disqualification.

V. **Removal From The Game:**

➤ Please review NFHS Rule 4-11-1 (page 27)

VI. **Spectator Conduct:**

➤ Throwing objects on the ice is prohibited. School administrators are required to identify any person(s) involved in throwing objects on the ice and remove them from the facility immediately. The offender(s) are to be banned from all NHIAA sanctioned ice hockey games for the balance of the season, including tournament play.

“Noisemakers will not be permitted at any time during regular season games and Tournament games.”

➤ Possession and/or the use of artificial noisemakers, amplifiers, horns, drums, etc. is prohibited at all time during the NHIAA regular season and tournament games.

VII. **Team Information:**

➤ **Equipment**

○ All game officials and players must wear their helmets anytime they are on the ice with the exception of during the playing of the National Anthem and postgame celebrations.

Note: Violation of this is an equipment violation; repetitive offences will result in misconduct.

○ Coaches are required to ensure their players are properly equipped.

○ All players must wear a HECC-approved hockey helmet and facemask. HECC requires all mounting hardware of the facemask to be in place, which includes the "J-Clip". This assembly must not be altered in any way when mounting the facemask to the helmet. The removal of the "J-Clip" further increases the risk of potential injury to a player and, according to HECC representatives, may void the HECC Certification, which would make the facemask illegal under current NFHS Ice Hockey Rule 3-4-5.

○ Per NFHS Rule 3-4-4: “All players, including goalkeepers, shall wear and have properly inserted into their mouth during the course of play a tooth and mouth protector. A tooth and mouth protector (intraoral) shall include an occlusal (protecting and separating the biting surfaces) and a labial (protecting the teeth and supporting structures) portion and shall cover the posterior teeth with adequate thickness. It is recommended the protector be properly fitted and: (a) constructed from a model made from an impression of the individual’s teeth, or (b) constructed and fitted to the individual by impressing the teeth into the tooth and mouth protector itself. The tooth and mouth protector shall be of any readily visible color and may not be: (1) completely white; or (2) completely clear.”

➤ **Officials shall make sure all mouth guards are properly inserted.**

The Sports Medicine Committee has compiled a list of vendors and companies that provide form fitted mouth guards. Please understand that the information provided is for your use as a reference and decisions must be made by the individual school and/or student athlete. Concussions: Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional. Please visit www.nhiala.org; “What’s New” to view the NFHS Guidelines for Management of Concussions and the New Hampshire SB402 and its language as written.
- **Blood Spillage And Body Fluids:** The NHIAA Sports Medicine Committee suggests that each school develop a local policy in cooperation with their local medical personnel, on how to handle blood spillage.

1. **Housekeeping Procedures for Blood And Body Fluids**

Disposable latex gloves should be worn to avoid contamination of the hands of the person cleaning spillages involving blood or other body fluids and secretions. Persons involved in cleaning contaminated surfaces should avoid exposure of open skin lesions or mucous membranes to blood or body fluids. A freshly prepared solution of dilute household bleach (one quarter cup of bleach diluted in one gallon of water) or other disinfectant labeled as *virucidal*, *Tuberculocidal*, *staphylocidal* is useful. Allow the disinfectant to stand wet for a minimum of one minute to start killing pathogens and disinfecting the area (10 minutes of disinfection time guarantees surface sterility). Whenever possible, disposable towels, tissues, and gloves should be used and properly discarded and mops should be rinsed in disinfectant.

2. **Interpretation of Excessive Bleeding**

National Federation Rules call for a player, who is bleeding, has an open wound or excessive blood on the uniform, to leave the court/field.

The NHIAA interprets "excessive blood on the uniform" to mean that part of the uniform is saturated with blood. Saturated does not mean a wet spot. Saturated means a major portion of the garment is covered and soaked with blood. For this to occur, significant bleeding would have had to take place.

For any blood on uniform less than "saturated", the uniform does not have to be changed.

School personnel have the responsibility of treating the blood area with the appropriate disinfecting solution before the athlete may participate. If the uniform is "saturated" with blood, the uniform must be changed before the athlete may participate. This interpretation is to be followed in the conduct of all NHIAA athletic events.

The following items apply to the State Tournament only:

I. Team Selection And Format For The State Tournament:

New ice will be made and teams will change ends for every overtime period. This procedure will continue until a winner is determined.
- D. Mercy Rule: In the last period of any NHIAA game, regular season or tournament play, if a team is leading by six (6) or more goals, the clock will continue to run. If the lead is down to only four (4) goals, normal timing procedures will be instituted. The only time the clock will stop is to replace a goalie when the goalie change rules apply, or to administer to an injured player. “At no other time shall running time be used.”
