- School uniforms must be worn during competitions and weigh-ins. School uniforms must be of school colors and have the name of the school and/or the student's name on them. Any sponsorship the school has secured cannot be displayed on the uniform or the coach/driver of the boat.
 - Should a boat become inoperable due to mechanical failure during the tournament, the coach or captain shall contact the NHIAA/tournament director immediately to report their situation. At such a point in time, the tournament committee will review the situation and determine the course of action.
 - In an effort to preserve the New Hampshire fisheries, the Bass Fishing Committee strongly urges the use of non-puncture cull tags whenever possible.
 - Student athletes are allowed to use the team gear and or the gear of the captain.
 - Courtesy Measure Rule:
 - If the student athletes have a fish of questionable length, they may ask the weighmaster for a courtesy measure. If it is determined that the fish is indeed short, the fish will not be counted, and no penalty will be assessed.
 - Failure to ask for a courtesy measure on any fish deemed short will result in the loss of said fish, and a one pound deduction from the total catch.
