

Observed Swims.

Below is information for Swimmers wishing to have their swims observed at the State Meet for an official USA Swimming time.

IMPORTANT:

All swimmers wishing to have their swim observed will need to register and fill out the form on-line and pay the fee on-line. There will not be a paper form this year or in future years.

The links for this are below. Please note there are **2 different links** based on which divisional meet a swimmer is competing in.

Swimmers must register online only and do so before the start of their specific meet.
